

Jenny Haynes - Skinny Inset Strips - July 23, 2022

What you need:

- Sewing machine
- Sew-all #40 neutral thread (or matching your project)
- Cutting board
- Rotary cutter
- Gridded ruler (ie. one with Imperial measurements)
- Fabric scissors
- Pins (just a few)
- Unpicker
- Glue stick (I use Prym Aqua Marker but Sewline Glue Pen is popular too)
- Access to zoom
- Access to a printer (for the paper templates) OR my Acrylic template (see info for templates below)

What we will do:

Although this class is techniques-based (which means you're free to do your own design) my demonstrations of this technique will be based on two of my designs, the Wax Lyrical Quilt plus my Kenny and Dolly Quilt. There will also be lots of inspiration for those of you who like to go off-piste with tips and tricks on which blocks to use where if you fancy having a go at your own design.
